

ABOUT ME

Manessa, a beauty scientist and product developer, holds a BA in Chemical Biology and a MBS in Personal Care from Rutgers University. With 7+ years of experience at industry leaders like L’Oreal, Johnson & Johnson, and Beautycounter, she is an industry trailblazer. Recognized in publications like Teen Vogue and Byrdie, Manessa's expertise shines through her consistent work weaving the intersection of beauty and technology.

HAVE MANESSA LEAD A **SEMINAR** OR **WORKSHOP** TO TEACH YOUR AUDIENCE SOMETHING NEW

SCHEDULE AN INTRO CALL!

TESTIMONIALS

Manessa is a dynamic personality and intelligent speaker! She spoke on a panel at the 10 year anniversary and signature conference for BAUCE Magazine and it was clear after her session that she was a crowd favorite.

LIANE AGBI
FOUNDER, BAUCE MAG

She is a scientist who enjoys her work and has the ability to not only discuss the technical elements of her work, but to do so in a way that can engage and inform many types of audiences.

JENNIFER CLEARY
DIRECTOR, CAREER EXPLORATION
RUTGERS UNIVERSITY
